Floral

OUR GOAL

Our goal in Floral design is to help you create and foster the look and feeling you desire for your wedding day. Every couple has a unique vision, and we want to reflect that in the florals at your wedding. We want to work with you in order to create exactly the vision you have been dreaming of.

Floral design services are extremely dependent on season and product availability. After our initial consultation, we will put together a customized proposal based on what we discussed. Please note that we cannot guarantee the availability of any specific florals, but we will work with you to create a selection that reflects the initial concept visualized.
